### ATTAWASIOS CLUB.

The Attawasios Club was organized in 1909, with a membership of twelve. It was organized as a purely social affair.

However, the second year we decided upon a miscellaneous program. The club was federated in 1919.

In the twenty years of its existence the club has had twenty-seven members with only one death. The majority of ex-members have moved away.

We have been philanthropic having participated in all the activities of the city as well as others, such as the College Endowment, Community Hospital, Social Service League, Good fellows, Red Cross, Educational Fund, Community Chest, Blind Women's towels and Iowa City Children's Hospital.

The club meets the third Thursday of each month for a social afternoon, besides the many delightful parties and picnics we enjoy with our husbands.
