## Douglas Village assessment roll 1891

The following are the Assessment Rolls for the Village of Douglas 1891 and 1893, currently in the Joint Archives of the Holland Museum and Hope College. The rolls on file there are for the years 1891 - 1900, and 1906 and 1907. There are also several other Douglas Village records there.

There was little change in land ownership from 1891 to 1892, so 1892 was not transcribed.

The cursive was very difficult to read on the 1892 roll. Also the photocopies which the transcriptions were made from, had some of the descriptions missed on the bottom of a few pages when copied by thier Archivist.

Transcribed by Wiliam T. Kemperman April 8 - 9, 1997
