A Video tape on the Restoration of the State Capitol in Lansing will be presented by Kenney Charthoff. Ms. Charthoff has been associated with the project since its beginning. MICHIGAN HISTORY MAGAZINE

This wonderful publication has asked 'Were You There?' Where were you when Pearl Harbor was attacked by the Japanese on 7 December 1941? Do you remember gas and food rationing, blackouts and scrap metal drives? Did you serve overseas during W. W. II.? Were you among the crowds celebrating in the streets at the war's end? If you can answer "YES" to these or similar questions they would like to hear from you. This year marks the fiftieth anniversary of this nation's entry into World War II. The editors of MICHIGAN HISTORY MAGAZINE, plan to dedicate the November/December 1991 issue to "Michigan in World War II," and they encourage their readers to share their wartime experiences. Your submissions don't even have to be typed. Please send your submissions to:
