VizCom Media produces or prints work for you per your files, specifications and instructions. While we will bring attention to any errors we notice, YOU ARE RESPONSIBLE FOR APPROVAL OF PROOFS, PROOF READING AND ERRORS. Please review the proof carefully before approving artwork. If work is produced that contains errors not caused by VizCom Media then customer is responsible for full production costs, as well as the cost of producing the work a second time, if requested to do so. The customer is 100% responsible for approvals of copyright, trademark and licensing agreements of artwork. If close color matching is a requirement of the project, please specify PMS colors or otherwise provide color samples.

PDF proofs are optimized for fast web downloads, and as a result, may appear "pixelated". It should be noted that the final printed pieces will not appear in this manner, provided that the customer supplied artwork complies with our Artwork Guidelines. The color of your proofs as they appear on your monitor is only a close representation of the final printed piece. Colors may vary dependent on your monitor's brightness, contrast and color adjustment settings. It is recommended that a hard copy proof be purchased for all color critical work.
