

Rosing Plans Big Race.

Chairman Rosing is planning a big race for the boats of his club as soon as the entire squadron is again moored in the harbor. Several of the yachts are still away on the Mackinac and other cruises, but are expected back within a few days. When they return the owners will be called together on the proposition of a club race to be held about Sept. 1, and it is expected that ten or twelve yachts will enter. A feature will be made of the contest between the four schooners Uncas, Hawthorne, Mistral, and Alice.

According to a telegram received at the Chicago Yacht club last week, the loop yacht Lady Eileen, "manned" by its skipper, Miss Evalin Wright, and with Miss Sara Cary as "crew," reached Mackinac safely on Wednesday, having made the entire trip without serious mishap. The two girls left with the C. Y. C. yachts on the Mackinac cruising race, July 29, and pluckily kept on their way to the north in spite of storms and adverse conditions. By sticking it out Lady Eileen won the second prize cup offered in the sloop class.
