Dear Mr. Stasch,

Our documentation on the history of Oxbow is very extensive. Attached are a few scans from a photo album of the Rupprecht family. As you probably know Edgar and Isobel Rupprecht were among the founders of the Oxbow school, together with Frederick Fursman and Walter Marshall Clute. All of them feature prominently in the photographs we are sending. As you requested we focused on outings and group events.

Please note that these images are for study purposes only and may not be reproduced in any way. Please contact us if you have any questions,

Best regards,

Bart Ryckbosch
