► **THE BUSINESS:** *Family owned and operated, The Singapore Country Inn was formally established Mother's Day 1983. In addition to charming Bed and Breakfast facilities, we offer a unique country gift shop of local Michigan arts, crafts and home decor. Guests and shoppers are invited to relax in our tea room and enjoy ice cream, Dutch pastry and other homestyle delights.*

► **THE ROOMS:** *Each of our eight rooms is a comfortable and tastefully decorated "home away from home"; each has a private bath. Guests will enjoy Continental breakfast in our sitting room.*

► **A LITTLE HISTORY:** *The building, formerly known as the Twin Gables Hotel, was erected on the waterfront after the turn of the century and later moved to its present site. In the early 20's, it was purchased by Tom Carey, a well-known vaudeville banjo player who entertained here frequently. Twin Gables was a very popular resort, but fell on hard times during the Depression. It regained its popularity in the 40's and 50's under a number of subsequent ownerships. Extensive remodeling has restored the building's grace and enhances the original hardwood floors and decorative tin ceilings and walls.*

► **THE AREA:** *The Singapore Country Inn is centrally located for fun. You are only moments away from beaches, the yacht basin, golf, shopping and sightseeing opportunities. A year around Inn, we are also near winter sports areas.*
