The Nautical History Celebration was not only a social success, but it appears that it will be financial success as well. All bills are not in but it is estimated that profits will be well over \$1,000.00 Thanks to all those members who worked so hard to make the Celebration a success.

The program for the July Meeting, "Suggestions for Getting Started," given by Molly M. Perry was very interesting and informative. Sorry more of you were not there to hear her suggestions for successful organization of Societies.

ARE YOUR DUES CURRENT???? A membership drive is planned for October. Your cooperation is needed - contact your friends and acquaintances and urge them to join.
