Step back in time to relax in the quiet atmosphere of a Victorian guest house that is nestled in the charm of historic Saugatuck, Michigan, a resort village on the shore of Lake Michigan.

Come and enjoy the soft patina of aged oak paneled walls and the large, beautifully appointed rooms that are furnished with antiques of the period. Join us in the Common Room for a continental breakfast or enjoy the warmth of the foyer fireplace on cool evenings. On those warm summer days you can enjoy the cool breezes on the veranda that wraps around three sides of the house.

Even though you will be tempted to linger all day in your vacation hideaway, there are many boutiques and art galleries in the area that will require your exploration. In the summertime there are the magnificent beaches and dunes for which Saugatuck is famous. Autumn brings a special golden glow to the area that makes hikes

in the nearby Allegan Forest most memorable. In the wintertime those same forest paths provide miles of groomed trails for the cross country ski enthusiast. Indeed, all of the elements that make up a perfect vacation are here ... the charm of the 19th Century amicably mixed with the excitement of today.

Make your reservation today by calling (616) 857-2904 or writing us at: P.O. Box 1174, Saugatuck, Michigan 49453.
