We are writing you in regards to your reservation at the Amity Motel for

We have recently purchased the Amity and have changed the name to Douglas Dunes. The restaurant is under construction and redecorating at the present time and will be open to the public in mid April under the name of 'Sir Douglas'. We hope you will try 'Sir Douglas' as we are striving to have the best quality food and service in the area. The bar is also being expanded in order to serve a larger client of quest. It is for this reason that we regret that we cannot honor your above reservation.

This is being done for your own well being and comfort as we do not feel that you will be comfortable in a motel that will be catering to a single male client during the summer season.

We have checked with the Timberline, Shangrai-La and Mi-Ro Motels and they have advised that they still have openings for this date. We thank you for your business but feel that these other motels can better serve your family needs at this time of year.

Thank you very much and we hope to see you at the 'Sir Douglas ' Restaurant this season.

Sincerely;

Douglas Dunes, Inc.
