EDITOR - JOE BARKER BUSINESS MGR. - LOUIS PRON

Well, the hurricane is the big news this week & the hotels did a good business with evacuees. - Love, Todda, etc from the "deeper" or "more vulnerable" places!!! ... The White Ransom Reed contingent left for Phila. early!!! ... However among those who stayed fast were the Rodmans (the end house on Beach Ave) & they said the waves were truly spectacular as they cocktailled on their porch. "Waves as hi as their porch? - well maybe that's a bit exaggerated!!! ... As Mr R says, C.M.'s good fortune was that this time the NE wind blew the water out! - As he says he kept a sharp eye on the wind direction & if it had shifted to E, SE, or S they would have departed in haste!!! ... Mrs Vermeeren held her cocktail party in spite of the hurricane - but then she lives back in the country. ... Alan Lippman had planned a truly great surprise party with 18 of Carol's long time gal friends in honor of her birthday at the Winchester but unfortunately the surprise was his & he had to cancel it!!! ... The most bars shut up tight Kahn's stayed open with a good dinner crowd, even tho the floor was a swimming pool from every ones torantal drippings!!! The Merion was also open we hear!!! ... Two of the nicest trees on the Mall blew down plus one on North St, & the C. Admiral's ramp ing ramp landed in front of the Atlas, but outside of that there was little damage. ... Of course the C Yacht Club had its troubles as it got the brunt of the wind - A couple of boats were beached - one with its keel 4 ft in the mud & they lost their floating dock & part of the other one!!! - Wonder how Commodore Anna Mae Campette (of the Cape Y.C.) & Skipper Ralph Saravi made out - They stayed aboard her "Pin-Curl" for the storm, weather or not!!! ... Of course "Frog Hollow" was swamped as usual so Weezie Doris the Tourison's, etc were stranded - Sally Cochran says Pittsburg Ave was like a river but only came part way up her lawn & Janet Frome bases says her windows were like Niagara Falls!!! ... Mrs Ridgely weathered it alone & her man took her car to who knows where! - As always Beach Ave was covered with sand from Pittsburg Ave up!!! Gus Andy's La Mer Golf Course is in business, but hear Tour House Post. was a bit damp around the edges!!! ... Wonder if the couple who called Mayor Berka to get married mid-storm ever got together - At least it would have been memorable!!!!
