For details of this Weekend's Events see the Cape May City ad on pg. 10 + the column on pg. 7 !!!... This year Cape May looks + is better than ever with a number of problems solved + construction + renovation sparkling everywhere - plus good weather + a gas surplus (Remember last year?)... Firstly the too long legal tangle with Dr Mc Intyre vs the City appears better as the higher courts have denied Dr Mc D. the right to not pay taxes on the grounds that his properties are all for religious + educational purposes. - This means several hundred grand (or is it a 1/2 million) he had to ante up to the City coffers - A big relief to C.M. taxpayers rightly amazed by his abeyance for so many years!!!... Next: the "Seavoy Beach Homes" have finally been completed + many of them already sold - see ad on pg. 5!!!... The "Baronet Condominium", we're told is completely sold out!!!... But the biggest surprise is "The Tides" (formerly that eyesore "Seaport Motel" built on the site of the old "Baltimore Inn" on Jackson St. - The new corporation owners are covering the base cinder block walls, changing the windows to "french doors" + dividing it all into 52 attractive condominiums - + all in all making it look as if it belongs on historic Jackson St just off of Beach Ave!... Now for another surprise (in spite of the rumors), the Bahns have sold their "Ugly Mug" to Jake Wright + Ralph Ransom who will continue to call it "Ugly Mug" + carry on the Bahn traditions of "champagne hour", Nat'l Froth Blowing Contests, etc!! - All of us bar flies know Jake as the former owner of the Show Bar, + the Hotel Windsor, so he knows what Cape May likes!... As for Ralph (originally from St Louis) - He came here in the Coast Guard + stayed, - with the Marine Bank + then with C.M. County Savings + Loan as vice pres. + now full time manager. - They've already made the front bar passage wider + enlarged the kitchen - Best of luck to them + the Bahns in their retirement!!!... You won't recognize Carney's - NY decorator John Maurer did it + now they feel they know C.M. - "Himself" is back, of course!!... At Harvey's, they removed a wall + booths + its enormous!

Gloria's has "redone their" "Upstairs" fancy dining hall & Maria McKeon is now playing at the bar!... You won't recognize the Montreal - They lifted the bar out of the hole, & redid the whole room with new lights, dropopies, carpeting - Well its Tremendous!!!... Even the Winchester is sporting a new brighter look - gold mirrors, stained glass bar ceiling & wall panels, ceiling paddle fans, etc. - warmer & chummier!!!... The Lafayette & the Marion remain the old faithfuls!!!... The Coachman has discontinued their cocktail "lounge" but you still can get drinks - & then there's their "Rusty Nail" with Georgie Latin at the ivories!!!... and Two Mile Inn has added a new building "Civics Coffee Shop" to their complex of fine eateries!!!... Rich Morano who played at a Beach Live Hotel last year is "doing the 8 8's" at the Pilot House this year - and their late steak platters are great as ever!... There's a new tiny restaurant on Jackson near the Mall - Louises - Good we hear

We take our collective hat off to Cecil Bryan, school teacher by profession runs 9 businesses in the summer time! - 8 of them in C.M. - Starting a couple of years ago he opened his "Cookie Nook I" in Wildwood... Then he started in the Liberty Village Mall with "Cookie Nook II", "Fruit Nook" (fruit fruit on a stick), & the "Wood Nook"! Then he bought "The Lemon Tree" - And this year he's added "Sylvia's Custard" in the Liberty, and opened "Seahorse Restaurant" (back of Innotown on the Pier) + "Cross Eyed Crab" (formerly "The Freckled Walrus" on Carpenter Lane - ... And we thought we were busy!!! and he seems to be at all of them most any time!!! - Miracle man! ... The Gazebo has new owners - George Bourne, Caroline Haigh + Nicholas Terico + they're featuring in addition to ice cream, superific sandwiches, crepes, waffles + homemade specials from breakfast to breakfast (8 AM to 4 AM)!!! ... Jean Naples who was part of the family shop "Fong, Seam, Dave + Daddy" has now opened her own shop in the little red house back of "Bookworm" - She calls it Cape May "Bookies" - antiques + collectables! Personally we're glad to have her back in town as she helps out on our Pennywise Dist work!!! ... Would you like to be an extra in a professional movie - Yes, this is for real - See ad on pg 13 in New Hope section - They need several hundred extras for a film soon to be shot in Phila area - children + college age particular ly!!! ... Lov's Fudge now serve ice cream in their new "Breyer Patch" on the Mall - Jewlor Asimi has moved to larger quarters on Sawyer's Walk! - Kismet + Du Quis is a new antique + art venture. - Genevieve Du Quis originally from La. had a gallery in Va. + did jewelry + fine arts appraisals. Mike's Hairer from Neb. is a helicopter pilot now stationed at the Base (C.M.)!!! July 4th HAPPY BIRTHDAY GREETINGS to newly wed DAN SOLARI !!! ...

Another truly pleasant surprise is the former famous Tow Path Inn at the top of Mechanic St on the canal. - Well Paul Vicitra & Warren Frost have bought the whole building & plan to open their restaurant there around the 15th. As a matter of fact they plan to make it into a sort of "cooking complex", with not only a restaurant, but a bakery, a chacterie, a cook book shop, a cooking school, & the new-home of Bords Catering!!! - How complex can you get??? - Sounds sensational!... And speaking of complexes the "Village Square", at 702 S Main boasts 5 first class shops: "Papermania" featuring every paper item from cards & wrap-pings to small exquisite gift items. It belongs to Josi Feist (of Morrisville, Pa) & Alice Sandor (wife of the antique man). They've been best friends for many years & decided New Hope needed this unique shop. "River Rest Music" - owner Seth Gibson of Rosemont, N.J. has a shop in Frenchtown & sells instruments, records, & music books!!! "Toys for Women" (not connected with Toys for Men shop, but they're just friends, Nancy Craig of New Hope is the "boss lady" & she has a wide assortment of music boxes, art glass mirrors, clowns, & fun!!!... "Creative Blacksmith Gallery's" blacksmith is Henry Harvey who practices the art of changing metal with heat & hammer - severe copper, welded brass & steel! He hies from Hackensack, N.J., he has a shop in Tuscon, but hopes to move back east. His sister Mimi Harvey manages the shop for him & all the bright water colors & acrylic pictures are her cheerful creations!!!... The 5th shop is "Zoli Mens & Womens Apparel" - Bethea & his wife Rachel have this smart sportswear shop. He is a Czech, did fashion photos in N.Y. & had a shop in Calif. in the 70's!!!... Another interesting nearby S Main shop is "Noah's Ark" an underground greenhouse of plants run by Gillian Short of England - she's an accountant but she loves plants - she provides a chair for tired husbands!!!... "The Raven" now has a swim club at their pool!!!... Pam has decided to open her "Fabulous Fourtateches Swim Club"! - Interested in being an extra in movies filmed around Phila? - see ad on New Hope editorial page 12 - Yes it's for real!!

New Hope is a whole new ball game with lots of changes in ownerships + many new really quality shops. The "new look" in N.H. comes as quite a surprise - Oh yes, on the surface it still has the old charm, but the new changes are quite astounding. Of course Pam Minford, Johnny Francis etc go on forever - The Playhouse is in good shape under Pam II management + other old establishments continue. ... However we will miss Mitch Bell's spot, better known as Tom Moore's!!!!... The "Playhouse Inn" is open again under the name of "Allisons". - The hotel is being completely in grand style + the new owners seem to know what its all about. They are 2 couples, all of them from the Bucks County area! - Allison herself has been in the restaurant business for 15 years - 12 of them married to Ron Dunsmore!! They owned "Lico's" (noted for good food) in Levittown, Pa, + Ron was also chef. ... The other couple, the Veneziales are from Feasterville. - Sou is a realtor in the Bucks County area + wife Joan is Township Supervisor for Southampton!... Allison serves only dinner + if my roast beef called "Rib Cage" at \$9.95 is any sample, well guarantee you'll be well fed - It was unbelievable, over one inch thick, + I feasted on this "side of beef" in my "doggie bag" for a week afterwards!!!... "Pickles" which is more of an un-deck restaurant and bar on the downstairs level with outdoor patio tables overlooking the river, - and also generous!!... Well that gives you an idea!!!... Next surprise is: the Old Cartwheel Inn has been bought by locals Robert Clements, Robert Martin + Thomas Smith who have "Asia House" that oriental objects d'art shop down on Rt 202. - As the owners say they're not orient. al + are originally from New Hampshire!!!... They've renamed the place "The Baron"!... They're already working on opening the kitchen + dining rooms again plus the Sunday dance luncheons. They have new fancy names + different activities planned for their many bars plus the Disco which they promise unique surprises.
