Apologies to the art gallery "gang" out on Rt 109. - They call it Fong, Scam, Dave, & Daddy & their actual names are Dr. Jerry Naples, & his daughters Marie (Fong), Annabelle (Scam), and friend David Denick. - In last week's edition I mistakenly gave the daughters to Denick - sorry about that!!!... In our summary of interesting new businesses in town or near-by I omitted Charlie Sandman's new "Two Mile Crab House" - because we hadn't heard of it. - and what an omission! ... We went over last sun. & it's truly great, and enormous. ... Actually former Senator Sandman started last summer on his plans to build a real typical "Maryland Crab House" on Ocean Drive at "Two Mile" between Cape May & Wildwood. He demolished the old dock buildings inactive for 10 yrs. & really started his construction from scratch. ... In spite of the cold weather they were able to erect the buildings, one of which houses the gigantic several story high room that is now in use. ... There's an elevated bar at the end, & a huge towering mast in the center with pianist fun man Ken Shaffer playing his piano at its base. He's still as wild as when he entertained at Congress Hall's bar years ago & greets everyone with a shout across the room. ... Bare picnic tables were full of people pitching into great trays of steamed crabs & clams - You really don't have to take the Rehoboth Ferry any more to get a crab feast - Charlie's brought it all over here, the only place of its kind in south jersey!!!... At the moment that about does it, but "By next year we should have a full scale restaurant as opposed to just the Crab House which just has crabs & clams & a few other ... then we can specialize in all sorts of seafood with a little different atmosphere". Eventually they plan shops & stores, a sort of Smithville type place with nautical gift shop, a fresh fish market, etc, etc. ... Outside they're building more piers with many picnic tables, canopy covered, etc. & enuff space for many boaters who might pull up. ... Charlie told us its for his 6 kids each of which owns 10% of it! ... so far son Billy is head of the kitchen, Bobby is running the bar, & Chucky, Betsy, Carol, & Rick all have their jobs - plus son-in-law Steve Wade (Carol's husband) who is general mgr!!! Congrats & all success to the Sandmans!! Its worth a trip to see & say Hi to Ken!

Big surprise of last weekend was the Sat July 2nd 5 o'clock wedding of Walt Trout Jr to Laura Roberts of New Bedford, Mass at the Old Brick Church with Rev. Dr Rhys Price officiating. ...The bride's father gave her away & Jack Trout was his brother's best man! ... The wedding supper of 14 was held at the Colonial - only those members of the immediate family who attended the wedding!! Congrats & best wishes!!! ... Betty Hawley is having a problem that Red Hill that the N.Y Times recently reported going over Niagara Falls in a barrel is no relation even tho her father has the same name!! ... Ed White who was born on the day Lindberg flew the ocean had planned to celebrate his 50th birthday by getting a group of his friends together to fly over to Paris on the Concorde on the date. - Had to cancel it as something came up with his job at the N.Y. Public Library. - And we were pleased just to know the Derbys & the Zaberers who could afford the trip - Oh, well!!! ... Youngest man for his age that we know is "Jeep" Davis - recently 80 years young! ... Yes, it is true, there was another movie with parts filmed here on the Mall on Sat June 18th by Penguin Pictures - scenes were outside Della's & Mah's! The pictures name "Ocean Heights," a pol... story!!
