By the way, the 7th Annual Boardwalk Art Show sponsored by the C.M. County Art League will be held Sat & Sun Aug 16 & 17!!!
...Also the C.M. Baby Parade will be Aug 8, Fri, at 11 A.M. - So if you are interested in "entering" either one you better register now!!
...Another interesting "new" spot "reopening" this weekend is the Lafayette's "Gold Whale" - They've put a temporary cover over the indoor swimming pool & set the whole room with tables & chairs & dance floor to make a sort of banjo extension of the small lobby floor "Gold Whale"... The entertainers for all this will be Doug Knight & Franny Smith on the keyboard & banjo who have been such a draw in the "Gold Whale" this summer! In addition to that they made a great hit at Harold Wiegand's 80th birthday party in June & at the Beach Club's "July Party" last Saturday - so you see why they already have a big following!... As for the guys themselves: Doug plays the piano with the sounding board lit with black light! - He was a Temple & Thaca music major & is from Haddonfield. - 9 years ago when he was 17 a banjo player (Franny) walked in while he was playing for cocktails & they've been friends ever since - As a matter of fact even now they play at Jack's Place in Avalon from 3:30 to 7:30!! He's also played at Somers Pt. for the last 2 yrs.!!... Banjoist Franny Smith of Nat'l Park N.J. has played a banjo since age 9, & has played at Four Fathers' Mustache in N.Y. & New Orleans plus The Red Barber's 73 joints in Phila & Wildwood!

The local winners in last week's Promenade Art Show: Cape May's Fred Echevarria walked off with 1st prize in the Professional Division in "photography"! In the same Division Avalon's Earl Medd got 2nd in oil acrylic marine category! Third prizes went to W. Earle Allen of Cape May for "Portraits"; Lida Petrosino (Wildwood) for "Graphics"; + Tom Johnson Jr. (Villa) for "Sculpture"! Now for the "Amateur Division" - all first prizes are: J. Anton Miller (Cape May) in "Oil & Acrylic Landscape Category"; Lida McDevitt (Cape May) "Watercolor Landscape Category"; Marie Stiles (W. Cape May) "Graphics Category"; Edwin Hewitt (Wildwood Crest) "Marine Category"; and Susan Baxter (N. Cape May) "Photography"!!! - Congratulations to them all! We feel they did us proud with so many awards!!! - As for musical art - Cape May's Patti Pellegrino, one of the original Cape May Diamonds Group, is soloing with song + guitar "Upstairs at Gloria" at their intimate bar!!! "Great Uncle Charley's" victorian ice creamatorium is now featuring "Richy Ricoco" at the piano, the manager of this "Confectionery"!! He is actually Richard Deodati who is also "Stanley" of "Stanley's Steamers", the steamed clam + shrimp booth in the "Aboveteria" - However, we wish there would be a "Stanley Steamer" among the "Antique autos"! - "Richy" plays in that "New Orleans nickelodeon style" like Doug Knight at the Golden Whale + so appropriate for our "victorian village"!!! At "Huntington House", owner Beverly Cooke plays on the organ for your dining pleasure!... Elena Ayers nights at the Colonial are Fri. + Sun. when she violins with hubby Herby!! ... At the "Top of the World" Doug Wick of "Now + Then" plays the organ on Mondays when his band is off! He also pianos other nights for the dinner waiting room!!! Bob Albanese is back at his "meson" piano!!!

OVERLOOKING THE OCEAN POOL
 205 BEACH AVE. CAPE MAY, N.J. 08204

As you come in to C.M. over the small bridge, your 1st sight is the newly built clubhouse of the newly formed Cape May Marlin + Tuna Club - As in many clubs there are 2 classes of membership - founding special members (our own title) dues are \$500 + for others \$100!! Names of some of the founders we're told are realtor John Fleming, Seven Evans (owner of the 1st marina on Yacht Ave, at Washington St) Sid Hess (former owner of Sid's + co-owner of Devil's Reach Yacht Basin), Dick Weber (co-owner of above D.R.Y.B, owner of S.J. Hunting + Fishing store, + the charter boat "Bonita"), Ernie Utisch (owner of Utisch's Marina) + Capt Bert Gable (owner of the fishing boat at the end of Yacht Ave which already flies the "C.M.M.+T. Club" flag with its new logo) - Fleming claims "close to 100 charter members"!!! - As you see they're all real fishermen. - The contractor of the attractive clubhouse with the large blue marlin over its 2nd floor balcony door was Dino of A la Carte! - Now for the background of the Club: - A Phila. man named Shockley bought the late "Moose Hall" (formerly the "C.M. Golf Club") for the "M.+T. Club" + negotiated thru former mayor Gaurry with the plan to tear the building down! Well, enter the C.M. Historic District Commission who refused to grant demolition permission. So now Shockley is taking the Hist. Commis. to court to challenge their authority to make such decisions! Lou Dwyer (the judge's nephew) will represent the Club. "It will be a test case + most important to C.M.'s "victorian image" future!! The Planning Board, now cooperating with the "H.D.C." has hired Bruce Mc Cauley to do research on the building's historic values! (formerly the home of 2 sisters, I think)!!! - As for the present club location (formerly a gas station + Mattie Wilk's bar + the old Yacht Club) was scheduled to be a "7-11 market" until the Club acquired the property!! They do not yet have a liquor license so its B.Y.O.B!! + where will they park the members cars?? - Why this is so long but we've been besieged to tell what it's all about!!!!
