This weekend the City of Cape May hosts their 5th Annual Waterfowl & Woodcarving Show at Convention Hall on Sat the 26th from 10 AM to 9 PM, and on Sun the 27th from 9 AM til 3 PM! With the heavy rains this past week, we don't have to pray for a sunny weekend as the show is held inside Conv. Hall. There will be carving demonstrations & trophies & ribbons galore - awards in 16 different categories, so you see its not just a "decoy" exhibition. Its proven very interesting in years past - Judging will be done on Sat morning with awards presented at that time!! The consulting chairmen are George & Evelyn Stiles with a committee of Bill & Doris Archibald, Harry Shourds & Jim & Joan Siebert!!! The Geographic Soc. has gone "floral" this weekend with its Fri (25th) 8:30 lecture at Vict. Towers - "A bit of English countryside" - field of daffodils, wild flowers & gardens of lovely west England by native Dudley Brook! At 9:30 Sat (26th) morning Jack April will lead "a walk thru paradise", Leanings Run Botanical Garden!!! On Sat, 26th nite the Corinthian Y.C. will hold one of its main annual galas "The Post & Starboard Ball"!!! On Thurs the 17th the C.Y.C. had a "Casino Safari" to Atlantic City chairmanned by Marilyn Welch & a great success it was with wine & cheese on the bus, dinner at the Regency & gambling!! Marilyn assisted by Nancy Dorrie hostessed Bus #1, while Winnie O'Brien & Betty Pettinos assisted as hostesses on Bus #2 - There were 96 passengers in all!! Vera Hanson was the winner of the day with a \$300 Jackpot - of course she but 1/2 back in!!

DINNER 6:30-8:00 SUN. 1:30-3:

Back to July 4th, people have been asking who financed the fireworks! - The answer is the Cape May merchants & Dr. Mc Intyre. The City cut it out of its budget several years ago. However the City does have its Fire Dept. "at hand" on readiness, and after this year's explosion they carefully "cleaned" the entire area to make sure all unfired items were cleared - That's what that machine-with-whirling-lights monster (looking like "from outer space") was doing on the beach in the dark after the "fireworks display"!... An unexpected contributor to the "display" this year was Jimmy Hirst's Beach Service's chairs went up in flames - & he'd just had them all recovered - "also they had antique value" he joked! He was covered by insurance fortunately!!!... And by the way, the C. M. City Volunteer Fire Dept. "financial aid" drive is on. - Your contributions go toward modern equipment such as self-contained breathing apparatus, inhalators, smoke ejectors, hose nozzles, & fire coats, boots & helmets worn by the volunteers, etc.!!!... And speaking of donations, the Womens S.P.C.A. has an annual "spring fair". During the year they accept donated items. Now is the time to clean out your attic & cellar. - If you can't get your "white elephants" to the S.P.C.A. call Mr. Bernie Field 225-4300 or Mrs. Anne Bartlett LA 5-6959, co-chairman of the committee.!! In Cape May call Lou at 884-4866 to arrange for "pick-ups" of heavier items!!!... (The S.P.C.A. in Phila. is located at 3025 W. Clearfield St. and 303 S. Chadwick St. in center city)..... In Cape May M.A.C. is sponsoring its Annual Flea Market & Yard Sale on Sat Aug 9 from 10AM to 3PM on the grounds of the Physick Estate, 1049 Washington St. - Rain date Sun Aug. 11!!! The sale is open to all individuals who have items to sell (except hot food). Spaces available for small donation

The new "in fad" that seems to be sweeping the country is roller skating, & its hit Cape May. Now, if you want to skate instead of jog, you can go down to the Akroteria, on Beach Ave near Jackson St & rent yourself a set of silent wheels, knee pads & all. Yes an Indian gentleman has set up shop there & doing very well at it. His sister Pat Varna has that Indian (East of course) shop at the ocean end of Congress Hall. The skate man's name is Ajay Varna & we are fascinated with his "Skaters Code" a copy of which you receive when you take off. It politely requests no skating on boardwalk (It's too bumpy anyway), Mall, private property, use bicycle rules in town, & give pedestrians a wide clearance, being extra careful not to frighten them, and smile!!! - Keep on rolling!!!... Which reminds us, you ladies can now learn the correct ways to wrap a "portable pareu"... a "pareu" (for some of us uneducated ones) is a 45 inch wide piece of cloth, but differing in length depending on the kind of material to be draped & tied in the varying styles of well-dressed East Indian ladies. Marian Young Sweeney better known as "Tatsuwella" or "Tuto" is now located in "Bubbling Wells Rd" on the Mall & gives free "pareu wrapping" lessons in her shop there - so if you have or want a "sari" you better learn how to "do it correctly"!!!... Also this talented lady is holding classes in "British Brass Rubbing" August 4 thru 7 from 2 to 4 PM at the C.M. County Art League, 1050 Washington St!!! - An art in itself & effective too!!!... Two sets of outstanding dancers have caught our attention at the Top of the Mar: Mike & Lorraine Ferrick (of Wash. D.C.) staying at the "Sea Crest" - He's bass player for the "Natal Symphony" at Kennedy Center - They do a smooth jitterbug modified disco!!! They're newly-weds!!!... The other couple are outstanding in their matching white suits. They are Kitty & Buckey Donato, & have 14 children, 24 grandchildren & 1 great grandchild!!!... Congrats to "L'Atelier Gallois" Beau Sinfeler & Nick Dolovioff on their baby David Alexander born 4/24 - 9 lbs 12 oz.!!!... Bob Fite is delighted with the winter scene photo of his Colonial Hotel (by John Hortsch) which won 2nd prize of Promenade Art Show's photos!!!... Belated congrats to Edward & Margaret Schofield (who retired & reside in C.M.'s Octagon House) on their Golden Wedding Anniversary!!!... Fascinated with Capt Bill Garrison Jr's recent "shark expeditions" on his sportfishing boat mabeon... 27 miles out in the ocean where 14 yr old David Shockley caught a 151 lb, 7 ft 8 in. Make shark! - 1st mate 14 yr old John Porter's dusky shark measured close to 10 ft & weighed 378 lbs!!!... Tim Evans caught a small rare 46 lb Tiger shark!!!... Bob Dougherty's "Make" got away! & Joe Stubiak's were smaller - lots of blues & tuna of course!!!... Wait jaws-t dumb-founded!!!
