To continue about the "Clamshellers" - The "tournament" has become a true Cape May tradition in its 34 years + the "old guard" has become truly professional in the art, + always abides by the Club's rigid rules - The sport resembles horseshoe pitching except there's a hole instead of a pig + you pitch quahog shells, the Atlantic Coast clam whose heavy shell is the only officially-sanctioned thing that can be tossed during the contest! Rich Reinhardt, one of the originals, is still presy + recently appointed a committee: Hank "The Hat" Houston, Mark "3 Mile" Chirney, Tom "The Bomb" Spear, + Will "Why Not" Weinberger. This committee is to formally petition the "Clamshell Alliance", of New Hampshire to cease + desist their unauthorized use of the word "Clamshell" - seems "Crusty Old" Bill Ward feels Cape May has exclusive rights to the use of the term, tho' Jimmy Stevens is of a more moderate bent - Oh well, but you get the idea!!!! Also on Sat 25th at 11 A.M. the C.M. Cottagers Beach Club will hold its Annual Meeting ... and on Sat Nite of the same day they will their "50's Party" - \$15.00 per couple to Mrs Blair Cochran, 1045 N.Y. Ave! - The "suds" (at 2 bits a glass) start flowing at 7 with lots of burgers + wine + prizes for "costumes" + "best twist"! It's all at their Club-house, of course!!! This Sat 25, at 9:30 A.M. The Geog. Soc. will assemble as usual at the C.M. Elem. Sch. Lafayette + Madison for their "nature walk" to study "shore birds" with Peter J. Dunne - This is the last of the series!!! And next Fri 31st, Assoc. Prof. of marine Geology at Stockton State College will present "Moving On", Majesty + Color of Pacific Northwest - 8:30 slide lecture - Vic Towne

But to get back to the big "City doin's" - The City of C.M. is sponsoring its "2nd Annual Promenade Craft Show this Sat AND Sun 25, 26 from 10 to 5!" Consulting show chairmen Mrs Barbara Reeder + Mrs Dorothy Mann who coordinate the "Patriotic Brigade Craft Shows" in many malls throught the Mid-Atlantic Region O.K. + only exhibitors who have previously exhibited with the "Patriotic Arts Brigade," or who submitted slides or pictures of their work acceptable to their committee. This show proved very popular last week + already handcrafters from 8 states have pre-registered thus assuring a large show! - should be great!!! ... Also on Sat 25th the Womens Community Club will sponsor a "Mini Fair + Beach Festival" at the Community Center (off the Bandstand) from 11 A.M. to 4 P.M. - In addition to craft articles, etc. you'll find geraniums, peach shortcake, hot dogs + sauerkraut + magazines!!! - This is their 3rd year! ... Always interest in young musicians, we enquired about a couple of new local pianists: - Bob Albanese from Neptune, N.J. attends Berklee Music College in Boston + played in C.M. last summer in a local tavern - This year he's at the Merion + a big addition!!! ... David Felber of Hartford, Conn. usually summers in C.M. with his grandparents. He's studied classical music for 11 yrs + is a soph. classical music student at Trinity College. David plays softly at Gloria's upstairs bar - Both Bob + Dave have had many compliments on their fine non loud piano technique!!! ... Congrats to artist Greg Ogden on his historic sketches in Cottages Yearbook!

delighted to have such attractive tennis & beach club enthusiasts!!!... Likewise  
hollander's Reiner & Feddera Fetterman have always wanted a rooming house  
(they used to own the Country Store), so they bought the Audubon, 202 Ocean & are re-  
naming it "Capt. May's Inn" (correct spelling) May discover C.M. in 1602 & was also Dutch!  
She's doing a truly Victorian guest house with vict. parlor & continental breakfast!!!...  
Dan Solari who always wanted to own a C.M. house bought the "Pasha on Ocean" at  
Former owners Jim & Mary Ann Schetz are moving to the orig. McCreary house (the  
Christian Science Home)!!!... More for your calendar: Sat 25, 9:30 AM, TV CR 2 Yvonne Rae co-
