GLORY TO OLD WESTFIELD

Words by
Byford F. Inman

Melody by H. W. Bowman
Arr by Will B. Morrison

From the state ev'ry Hoosier holds dear,
Comes a name that we all love to hear,
O'er the woodlands, hills and the leas,
Floating so gently upon the breeze.
Thy charm so sweet is always the same,
Wherever we hear thy name,
We will sing thy praises loud and long,
Dear Westfield, our faith in thee is ever strong.

Chorus:

Oh, dear old Westfield, we love thy name,
Throughout the land we'll sing praises of thy fame,
Oh, ev'ry loyal heart is thrilled through and through,
With the glory of Old Westfield,
Our dear old Westfield's school.

Let us climb proudly bearing our flag,
To endeavor's high ultimate crag,
Show the world our banner so dear,
Is one that never lags in the rear,
For 'tis borne by the brave and the true,
All ready to dare and do,
We will keep it proudly waving high,
Old Westfield, our love for thee will never die.

Foreward

Through the medium of honest effort and well meaning endeavor this book has reached its present form. Our hope is that this "Rurosa" will truly reflect all that is good and worthy in the history of the Westfield High School.

If when the last page is turned and this volume closed, those interested in our school feel a measure of satisfaction, we shall feel that we have been rewarded amply.
