TO THE TEACHER

This Report contains a page for Each Month of School. It should be properly filled and promptly sent to the parents. The odd months, 1st, 3rd, etc, the grades may be given in letters. The even months, 2nd, 4th, etc, when Bi-Monthly Examinations are held, the grades must be given in figures. Make your grading correct so that the parent and pupil may know the true standing. Do all writing with pen and ink

TO THE PARENTS

EXPLANATIONS

Perfection in any branch is denoted by 100, or "Perf".

95 to 100, or Exc., is Excellent.

90 to 95, or V. G., is Very Good.

85 to 90, or G., is Good.

80 to 85, or M., is Medium.

75 to 80, or P., is Poor.

65 to 75, or V. P., is Very Poor.

Anything below 65 is considered a failure; anything below 75 is Very Unsatisfactory, and the pupil will be expected to use extra efforts to remove all deficiencies. When anything not satisfactory is reported, it is requested that parents should visit the school and ascertain, if possible, the cause.

You cannot dream yourself into a character; you must hammer and forge yourself one.

Let us determine to make ourselves useful.
