## PRAY FOR SPIRITUAL RENEWAL WEEK

Dear Friends:

The special music during Spiritual Renewal Week will be provided by Steve Jacobsen, Kenyon Baird and Deric DeCambra. Ken and Deric have both sung professionally.

The first results are starting to come in on the telephone survey. Frankly, I am overwhelmed at the percentage of positive responses. Many people refuse to answer, but of those who do, 66% desire to attend the lecture on Protestantism, request a brochure, or will attend the Spiritual Renewal Week services.

Marilyn Rimback continues to need your prayers. Now that she is starting to heal, she is in a great deal of pain. She enjoys visitors.

I have a suggestion for your Christmas gift list - the Chapel cookbook: A Taste of Love. It has turned out considerably more impressive than we thought and we will give you as many as you like for a donation.

In His service,

Pastor McBride
