Fred Wynn High Salesman For M.H.S.
Robert Robbins Tops In Senior School

FRED WYNN of Home Room 118 is the top salesman in the entire school today with a total of \$82.50. He wins the pound box of chocolates for an outstanding job. Of course we could pull a pun like "Wynn wins" but we wouldn't do that.

Robert Robbins of the 11th grade in home room 206 is the best salesman in the senior school today with a total of \$30.00. The pound box of chocolates goes to him for his fine work. He did most to make his room come out on top so the others should thank him for the chocolate bars.
