

KEEP OUR COMMUNITY SAFE!

Wear a face covering

Remember to **wear a face covering** that hides your nose and mouth when entering public buildings. Even a cloth will do!

Maintain social distancing

Always keep at least **6 feet of space** between yourself and employees or other members of the public.

Refrain from entering if you are ill

If you are **feeling sick**, do not enter public buildings. Stay home and monitor your symptoms.

Thank you for your cooperation!
