

BAY, WHEELWRIGHT WILL BUILD APARTMENT HOUSE IN BOULDER

Structure of 12 Units
Planned by Dentist and
Builder of B. C. School

A new apartment house of 12 or more units will be built in Boulder City in the near future by L. M. Bray, contractor, and Dr. F. M. Wheelwright, local dentist.

Plans for the apartments have been completed and the details relating to the site will be settled soon, it is expected.

The housing shortage in the new city community has motivated the community in planning this new

B. C. High School Parents to Meet

Whether or not the eighth and twelfth grade classes will be conducted along with the eighth and sophomore classes in Boulder City this year will be determined largely upon the basis of a meeting of parents at tonight's session.

Parents of all children of high school age in the city are now invited to
