Born and educated in Missouri. Followed construction work throughout the country. Arrived in Boulder City in 1933. Worked four years on construction of Boulder Dam, including one year with Bureau of Reclamation. Entered business in Boulder City in 1936. Opened women's wear store in 1942.

Past president of Boulder City Chamber of Commerce (1939) and Boulder City Rotary Club (1944-45.) Chairman of Red Cross Drive (1944) and War Bond drive (1945.) Entered military service 1942, discharged 1943.

I believe that Boulder City can and must be kept the finest and cleanest town in the country. Liquor and gambling can and must be kept out. Any change or expansion must be accomplished without hardship on any group, or the entire community will suffer.
