

*Mary* Margaret Bigleman 1967

Word was received by Ruth McCauley that Margaret Bigleman was in an automobile accident, and broke both legs. She is a patient at the Westminster Hospital, but Ruth suggests that cards be sent to her son, Ronald Bigleman, 3751 Harding, Long Beach, Calif. The Biglemans lived here in construction days, and again a few years ago. She has been active in the Pythian Sisters.

Ruth herself has been quite ill for several weeks, and hopes to return to work soon.
