

# Robert A. McGuire to Be Taken to Sawtelle

Robert A. McGuire, former ranger for the Bureau of Reclamation, is to be taken to the Veterans' hospital at Sawtelle, Cal., today, arrangements having been made by Dave Laughery, service officer of American Legion Post No. 31.

McGuire, who was in World War I, will be taken to Sawtelle by ambulance of the Palm Funeral home of Las Vegas. Mrs. McGuire will accompany him there, returning then to Boulder City. McGuire had previously been in a veterans' hospital in Oklahoma.

McGuire is the second World War I veteran to be taken from Boulder City to Sawtelle by the same ambulance within three days, Truman C. Campbell, 640 Avenue B, having been taken Wednesday of this week through similar arrangements.
