

Mayfield's 6 Company Home Is Show Place

By **Teddy Fenton**

William Mayfield, of 636 Ave. D, has renovated and completed updated a Six Companies home until people driving down D St. stop to stare at the medley in rock and color that has transformed what was a burned out hulk to what is

sidewalk, he put it very strongly in the top layer.

This way he saved money as well as having a sharper color contrast. One day at the city dump he ran into a man who would sell him 4 tons of wonder rock from Arizona for a song.

What developed from that is
