

Reining Report Urges Boulder Incorporation

"The only permanent solution to the Boulder City situation is incorporation as a self-governing and self-supporting municipality under the laws of the state of Nevada."

This was the statement made by Henry Reining Jr., professor of public administration and political science at the University of Southern California, who conducted a survey of the Boulder City situation at the specific behest of Senator Pat McCarran, and who recently turned in his report to the bureau of reclamation.

Reining said, in his report, that "such a step is not feasible
