BUILDERS OF BOULDER DAM

Boulder City, Nevada.

December 26th, 1935.

TO WHOM IT MAY CONCERN:

This is to advise that H. A. Brown was employed by Six Companies Inc. on the construction of Boulder Dam from August 14th, 1934.

During this time he worked as a carpenter. His services were entirely satisfactory, and I can recommend him to any one looking for a man for this class of work.

Very truly yours,
SIX COMPANIES INC.

F. T. Crowe,
General Superintendent.
