Dear Brother Don :

You little rascal, you didnt answer my letter of
December 20th, relative the membership of John Cobb.

I found that he had been a member of Cyprus Lodge
No. 33, and was suspended for NPD on June 23, 1929. A delinquent
certificate is herewith enclosed. Every thing in shape now for
you to take him into Lake Mead No. 37.

Kindest regards to all,

Sincerely and Fraternally,

GKRS.

Dear Bob:

I think that this will straighten out every thing in
regard to John Cobb. You can now take him into No.
37 O. K. Had a letter from Don on this but he told me
he had been a member of Wells Lodge. I wrote back for more
data as I could not find any record in Wells Lodge.
Best of good wishes.

Billy.
