

To the Board of Trustees

In view of the fact that Robert O. Weede is generally acknowledged to be a teacher of outstanding qualifications and a man of unblemished character, we feel it would be a grave injustice to him to refuse him a reappointment on the Boulder City faculty for the coming school year. We therefore in behalf of the patrons of the Boulder City schools, request the board of trustees to appoint Mr. Weede a teacher for the ensuing school year.

I am yours
