

BIG SIX PLANS BIG CLUBHOUSE FOR ITS WORKERS

Frank Moran, Former Heavyweight Threat, Is Placed in Charge.

A big clubhouse with Frank Moran in charge—that for Hoover dam workers.

Recreation for the men employed on the project will not be lacking, during the years the great engineering job is under way. Six Companies, Inc., already has launched its plans for sports and recreation of a wholesome sort by erection of a building to be devoted to this especially, and by the employment of Frank Moran, former top-notch heavyweight, to
