Mr. Harry C. Fuller

Dear Mr. Fuller:

At a meeting of the Boulder City School Board held on June 10, your letter of June 2, in which you tendered your resignation from the Boulder City Faculty, was given consideration. The School Board authorized me to inform you that they accept your resignation, but that they regret losing your services.

The Board also requested that I express the appreciation of all school officials to you for the very splendid work you have done in the system, and for the fine professional spirit which you have at all times maintained toward your work, your fellow workers, and the school officials.

With best wishes for success and happiness in your new position, I remain

Very sincerely,

EBE vf
