

Paul Mieke Called To Duty as Major

One of the guides at the dam, Paul H. Mieke, yesterday received orders to report for active duty Sept. 20 at Fort Ord, Calif., as a major in the 4th Infantry division.

Mieke was employed as a guide at the dam before the war, and entered the service in 1941 as a captain. He was sent to Europe as supply officer in the 9th Destroyer division, and fought in all the major battles. He returned as a lieutenant colonel.

He returned to his guide post at the dam in February 1946.
