

The book cover features a dramatic illustration of a steamboat navigating a narrow, winding river through towering, rugged cliffs. The cliffs are rendered in shades of brown, orange, and blue, suggesting a sunset or sunrise. In the foreground, a Native American man sits on a rocky ledge, looking out at the river. He is holding a long, wrapped object, possibly a paddle or a bundle. The steamboat, with its smokestack and flag, is positioned in the middle ground, moving upstream. The overall style is that of a classic adventure book cover.
