BOULDER CITY, Aug. 12—Mr. and Mrs. Ted Garrett, 648 Utah, returned Sunday from the coast where they visited Garrett's brother, Fred, who has been a patient in the Queen of Angels hospital in Los Angeles since he was critically burned in the explosion of a high octane gasoline tank truck and trailer July 3 in which two men were killed.

The explosion took place at a plant in which the injured man was interested. It damaged property for a block around, reportedly to the extent of \$150,000.

Also in Los Angeles to visit Garrett were Mrs. Clifford A. Brown and her two children from Chicago. She is a sister of the Garretts.

The Boulder City Garretts stayed with their son, Ted, Jr., and family in San Gabriel, while they were on the coast.
