Mrs. Ethel Tucker, who plans to establish a gyroducting salon in Boulder City this month, has purchased the home of the late William Pierce at 631 California, and now lives there, having moved Friday from Las Vegas, where she operates the Lady Grace Gyroducting salon.

Interior remodeling of the room in the Manix building on Wyoming street for the new salon is being delayed by labor conditions, she said. The Las Vegas salon is being moved to the Medical Arts building.
