

You don't HAVE to break an arm and a leg to get a garage built in this town—but it helps.

When Frank Lewis came home from the hospital he found a garage had been built on his lot by a score of good neighbors.

It was a garage Frank had in mind when he bought a trailer court shed a few weeks ago and started to dismantle it for the material.

He was only a few feet off the ground when he fell, but he suffered a broken arm and leg.

Frank spent a tiresome time in
