

Jr. Rangers Back On the Good Job

The Junior Rangers are back to the wonderful job they've done for this city for so many years.

Some 30 lads from 12 to 18 years old lined up before Chief Peterson Monday to receive instructions for the coming year.

Junior Ranger Chief this year will be Billy Wellman.

Their job again will be to watch all school crossings, help keep other youngsters out of trouble and to generally assist all boys to enjoy themselves—but along the right lines. BCN Wed 15 Sep 1948
