Petitions for Daily Milk Service Signed, Given To B.C. City Manager

Several petitions are being circulated in Boulder City to ask for daily milk service, in view of the fact that a recent attempt to establish daily delivery was stopped.

One of these petitions, circulated today by Charles B. Lee, 409 Nevada, had 54 nimes, and was submitted to A. G. Boynton, city manager. It read:

“Dear Sir: We, the undersigned, wish to go on record as being very much in favor of daily milk service in Boulder City, as recommended by Mr. C. A. McCandliss.

“We think Mr. McCandliss should be encouraged in every way possible to render this service to Boulder City residents.”

Other petitions will also be turned over to the city manager's office, it is stated.
