

Railroad Y School Sees End of Term

Friday, May 20, brought the close of the "Y" school, which has been taught by Mrs. Anna F. Bissell.

There were recitations and songs by the pupils which were enjoyed by the parents. Ice cream, cake, cookies and fruit punch were served.

At the close of the afternoon Mrs. Bissell was presented with a silver loving cup by the pupils. The cup was engraved, "To our teacher."

The party was dedicated to one of Mrs. Bissell's pupils, Beverly Denney, as it was her birthday.

Mrs. Bissell will leave Wednesday for her home in Healdsburg, Calif., where her son has been attending school during the past year.
