COMPLETE
IDIOT'S
GUIDE® TO

"If you have an interest in learning about the Great Depression, you'll find this book indispensable."

—Jennifer Rosenberg, author of
About.com Guide to Twentieth
Century History

The Great Depression

- ◆ **Historical background** on the reasons for the economy's collapse
- ◆ **Gripping stories** of how the nation and its citizens coped
- ◆ **Political realities** of how government programs—and World War II—saved the economy

H. Paul Jeffers
