

Youth Recovering From Auto Accident Injuries

Sixteen-year-old Donald Stauffer, 520 Arizona St., last night was recovering from a fractured right femur received when a pickup truck in which he was riding with eight other high school boys overturned.

The accident occurred about 1 p.m. Sunday on the old Nelson road.

Driving was Arthur Patton.

The truck struck a sand pit in the unpaved road and turned over on its top. Stauffer was thrown out of the back of the truck and pinned under it. The other boys heaved it up and pulled him out.

Stauffer was taken to Boulder City Hospital in Bunker Bros. ambulance. *BEN Wed 4 Feb 1948*
