

# Trip East from Boulder City.

May 5, 1936.

Started about 10:30. stopped for one last look at Lake. Nothing to be seen to Williams especially. Flowers were lovely out desert. Heavy wind all day. stayed in Williams over night.

May 6.

Arrived up at Grand Canyon about 9 o'clock. Terribly cold. A wonderful sight. altho visibility not so good. Navajo house, watch tower, & Meteor, was interesting. Museum, & paintings as well as Canyon itself. Came back by
