**20 New Dwelling Units  
To Be Built by B. P. L.**

**Work Starts Today on Homes  
To Be Located North of Nevada  
Between Birch, Cherry Streets**

Twenty new dwelling units for Bureau of Power and Light employees who are married will be built in the immediate future, construction to be started today, according to Supt. E. P. Bryant of the bureau.

The units will be in the nature of temporary cabins, and will be built north of Nevada avenue between Birch and Cherry streets.

They will be completely landscaped, with trees and shrubs, it is planned.

The contract has been let to Knap California Inc., of Glendale, California, for \$38,166.03. Local representatives of the Bureau of Power and Light and Knap company are on the job.
