BOULDER CANYON PROJECT
BOULDER DAM

VOLUME 12
1942

FRONTISPIECE

BOULDER DAM AND POWER PLANT

WITH DISCHARGE FROM TUNNEL PLUG OUTLETS

	<u>Page</u>
LIST OF PHOTOGRAPHS	5
LIST OF MAPS, DRAWINGS AND CHARTS	6
CHRONOLOGY OF IMPORTANT EVENTS	9
LIST OF VISITORS	12
CHAPTER I - Introductory and General	19
A. General Description of Project	20
B. Summary of Important Events	25
C. Summary of Reports of Boards of Engineers	26
E. Cooperation with other Government Departments	27
F. General Condition of System and Structures	29
G. Operation and Maintenance Costs and Returns	30
H. Orders and Public Notices	36
I. Major Routine Features	38
J. Future Needs of the Project	104
CHAPTER II - Construction	105
A. General Construction and Installation of Power Plant Machinery	107
B. Construction in Boulder City	135
CHAPTER III - Operation and Maintenance	139
A1. Boulder City - Electric and Telephone Systems	140
A2. Boulder City - Water and Sewerage Systems	142
B. Boulder City - Public Buildings, Houses, Streets and Parks	152
C1. Operation and Maintenance of Boulder Dam and Outlet Works	154
C2. Repairs to Arizona Spillway Tunnel	172
D. Operation and Maintenance - Common Facilities	179
E. Operation and Maintenance of Power Plant	205
APPENDIX	241
