

The Boulder City News—Boulder City, Nevada
THURSDAY, SEPTEMBER 12, 1963

BOULDER CANYON PROJECT Manager D. O. Towne has just presented three Hoover Dam employees with length-of-service emblems: Jose G. Abeyta, with a record of ten years; William L. Phillips, with a record of twenty and Leray Holdren, with a record of ten. The emblem consists of a bronze lapel pin bearing the insignia of the Department of the Interior, and with a band of embossed enamel designating the length of service.
