

ROMANTIC MAY WEDDING

Prominent Young People To Be Wed

(By public wire, Harpeth Hall News Service) The outstanding social event of the season will be the wedding this afternoon of Lotta Bud and Still Water on the campus of Harpeth Hall, the foremost female institution in America. The marriage of these young people will unite two of the oldest feuding folk of the Harpeth Valley.

The groom is the son of Mr. and Mrs. Very Still Water III, of Podunck Hollow, Tennessee. He was graduated from Podunck U., where he was prominent in the field of bird calling. He will be given in marriage by his father, Very Still.

The venerable "Peepers" Jarman will perform the ceremony and the nuptial music will be rendered by that lovely vocalist, Mary Alice Quinn and the pianist Cat Faust.

The groom's costume will consist of flowing tails and a ruffled collar that has been in the family for simply centuries.

The bride herself will be attired in a bouffant sheet decorated with second-hand sequins. Her cheese cloth veil was brought over on the Mayflower and it looks like it, too.

The bridesmaids will be attired in short sheets and will carry arm bouquets of wilted weeds. After the ceremony the wedding party and near-by relations will have eats at the Milk Weed Golf and Country Club. The loving couple will honeymoon at Broken Bridge, Virginia.
