

THE WARD-BELMONT ALUMNAE JOURNAL

MARY ANN MOORE, '40.....*Alumnae Secretary; Editor* JOURNAL*Greetings*

This has been a most successful year—thanks to you! Your co-operation and enthusiasm have helped us immeasurably in accomplishing what we have. Let's keep up the good start! Won't you help us make 1950-51 a record year?

During the year we have contacted over five thousand alumnae. If you know of someone who is not hearing from us, won't you tell us about her? We are depending on YOU!

Several of you have visited the campus at various times during the year. Do come back! It is always a pleasure to see you. We shall look forward to more good visits next year. Please don't disappoint us!

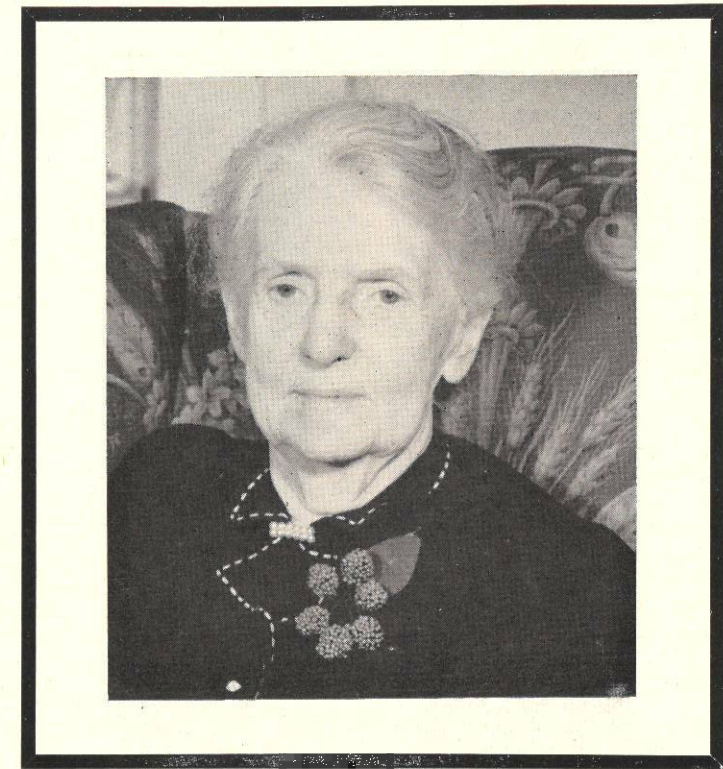

MARY ANN MOORE

Your Secretary

MRS. JOHN DIELL BLANTON

Little things endeared her to us—a warm smile for everyone; a thoughtful word when most needed; a quiet, rather reserved manner; and above all, dignity at all times. These and many other qualities of Mrs. John Diell Blanton have been imprinted in our minds and hearts.

Perhaps we remember her most of all for her genuine interest in us as students, both individually and collectively. Many of us know this interest continued long after graduation. She was always proud of “her” girls.

The memory of this truly great lady will be an inspiration to all of us who knew and loved her.
