Dear Joe:
I have the honor to acknowledge
your letter of the 11th inst. and
in reply to inform you that
all I have to say is that
I have no objection to your
using the same in your
book. I am, Sir,
Very respectfully,
Yours,
J. H. P.

Dearest Suz Eddie,

Well honey you know there's no words I can use to express my feeling for you. We've had so many wonderful times together that only a roommate can have. Especially that three-weeks camp!

Remember the "Lille & Diver" Laundry Co. After months of Padigines (can't spell) hand cream I think I'll once again have skin that is "lovely to touch." (hands that is) Also the fire escapes & our little walks (of about 10 mi. each!)

I think, even though it's hard to admit, we've gotten over our boy problems^{too}. How many times have you & I been madly in love this year? a couple hundred I think. I'll never be able to thank you enough for helping ~~me~~ me out last Thursday night. I was just as scared as you were but didn't show it quite as much.

I'm mighty proud of my little roommate who is Pres. of the Senior class next year. With your pep & spirit we'll have the best Senior class ever.

Well I could keep reminiscing forever but I see this page is running out. You know I'm no poet & can't put on this page what I want to but I hope you can read between the lines because here it all is said. I love you & despite our occasional fights etc. I'm sure that we have more understanding for each other than any other people in the world. We've learned lots this year - but the main thing is the wonderful friendship of room mates. Love you forever,
Suz Eddie
