"Twelfth Night"—1945

Ward-Belmont Alumnae Clubs

Nashville

On May 18, some one hundred alumnae of Ward's Seminary, Belmont College, and Ward-Belmont gathered in Club Village for their annual picnic. Dr. and Mrs. Burk were hosts to these local alumnae.

After the usual good lunch served by the tea-room (fried chicken, sandwiches, "cokes", and ice cream sandwiches) NANCY KELLOGG, a violin major, and MARY KING BATTEY, president of the

senior class and a voice diploma student, gave several delightful numbers.

Dr. Burk reviewed the condition of Ward-Belmont in a sort of "state of the nation" speech, pointing out that 1944-45 had been an excellent year and that 1945-46 should be as good or even better.

Mrs. Joseph Handly, president of the club, made a brief speech of welcome to the alumnae, introduced several of the visitors, and expressed appreciation to Dr. and Mrs. Burk for their hospitality.
